- All officers are currently certified. Firearms training will be conducted the last week of May.

Training

Due to Covid-19 the police department has had limited training available. Only 3 of the officers were able to complete the mandatory training required by the state before the shutdown. I am working on providing the remaining officers with online training to satisfy the states requirements.

Informational update:

Due to the covid-19 shutdown of the state which included the jails releasing a large number of inmates. The police department has noticed a very substantial increase in the business district of homeless panhandlers. The police department has devised a plan and it seem to be working to this point.
