Frequently Asked Questions

Q What is the Mt. Oliver - Knoxville Rent Abatement Program?

A: The Rent Abatement Program supports prospective local businesses within the Mt. Oliver and Knoxville communities through a rent subsidy. Please note that as a competitive program accepting individuals on a rolling basis, not all individuals who apply will receive funding. The program subsidizes up to 50% of monthly rent with a **\$1000** maximum, with a multi-year lease, and may be renewed for one year with a subsidy of \$250/month with a three-year lease.

Q Does my business need to be open in Mt. Oliver or Knoxville at the time of application?

A: No. The Rent Abatement Program seeks to encourage new business development within these communities. Therefore, it is not required to have an opened business at time of application, individuals must have a location for their business within six months of submitting the application.

Q How long is the Rent Abatement Program?

A: The program is twelve months in length. However, for no more than three months may the subsidy go towards location build-out—the period of time used to renovate a space before opening. It may be renewed an additional one year with a subsidy of \$250/month with a three-year lease.

Q How will I receive the subsidy?

A: The business owner will not directly receive the subsidy. Instead, the subsidy will be delivered to the landlord. The business owner will be responsible for paying only that which the subsidy does not cover.

Q Who decides the recipients of the rent abatement program?

A: Recipients are chosen by a committee of community members and property owners within the Mt. Oliver and Knoxville communities.

Q What is the committee looking for in a prospective applicant?

A: Before submitting an application, we strongly encourage all individuals to consult the Mt. Oliver - Knoxville Rent Abatement Program rubric. The rubric may be found attached to this document and is completed by each committee member during the review process.
