- On June 8, 2025 Officers were dispatched to the 200 block of Brownsville Road for multiple people screaming and fighting on the side walk. As responding officers approached the scene, they observed a female walking in a fast manner while holding a bat. Officers observed the female swing the bat at multiple individuals in the crowd. Officers were able to get the bat off of the female before she struck anyone. Multiple people were arrested for the incident and were charged with Aggravated assault, Disorderly conduct, riot, and failure to disperse.
- On June 17, 2025, Officers responded to 224 Brownsville Road for reports of a male that was shot. Responded officers arrived on scene and spoke to the victim, who stated he was approached by a male inside of the store who started yelling at him about how he talked to a panhandler. While inside of the store, the victim was pistol whipped and one shot was fired. The store employee was quick to provided video footage of the incident. As a result of this the male was apprehended in the 400 block of Brownsville Road and one firearm was recovered. The male was charged with Aggravated assault, carrying a firearm without a license, reckless endangering, tampering with evidence and criminal mischief.
- On June 22, 2025, while on patrol of the 200 block of Brownsville Road, Officers observed a known warrant suspect. When Officers approached the male, he fled on foot. Officers perused the suspected in a foot chase and apprehended him near 124 Rochelle Street. Once officers came in contact with the male, he continued to resist and was noncompliant with Police commands. The male was charged with Aggravated assault, evading arrest, flight to avoid apprehension, resisting arrest, and disorderly conduct.
- On June 26, 2025, Officers were dispatched to 111 Rustic Avenue for a hostage situation. The caller stated there was a male inside of the residence holding multiple people at gunpoint and not allowing them to leave. When Officers arrived on scene, they observed one of the top windows of the residence to be shattered and previously boarded up windows to be taken down. With this information, Officers requested the assistance of the City of Pittsburgh Police. Officers made multiple hails towards the residence with negative results. Officers made the decision to approach the house and make entry. Upon approach of the house, the front door was slightly open. Once officers opened the door, there were multiple people in the hallway and running up the steps. Altogether, eight people were removed from the residence and denied there was any type of hostage situation. At this time, Officers believe this to be a "swatting call." Officers were able to identify the person who called in the fake hostage situation and requested a warrant for their arrest. Multiple arrests were made as a result of this call. They include three on-view arrest for false ID and active warrants. As well as five additional drug charges for drugs that were observed inside of the home during the protective sweep of the residence.
